

Discipleship: Jesus With Us

“... go and make disciples...baptizing them,...teaching them to obey all that I have taught you...and I will be with you...” Matthew 28:19-20

Evangelism is the beginning of the journey with Jesus. Discipleship is the journey. Without discipleship, intentional discipleship, our congregations will be revolving doors through which people will come to know of their need for a Savior but never learn how to LIVE in this world WITH their Savior.

Discipleship: Jesus With Us is designed for the individual to receive some practical, ‘rubber meets the road’, direction in beginning his/her journey with Jesus or for the one who comes back to the Savior and wants to choose a better path.

Some of the chapters are: What Have I Done? (includes some good definitions of ‘church words’), Prayer, and discussions of the importance of joining, using our God-given gifts, and continuing to *grow* in our relationship with Jesus.

Each chapter has discussion questions and actions, making this a book that works for individuals but also a great guide for small groups like a ‘Pastor’s New Members Class’. It is easy to use as a foundation for any church to add their own specific opportunities to ‘plug in’ and grow!

Discipleship: Jesus With Us will be available no later than May 21, 2007. The suggested retail price is \$7.99. Quantity and non-profit discounts are available.
